Be in nature, Be comfortable

As the Tennessee summer rolls in, Southall's natural beauty is on full display — from sun-drenched trails and blooming gardens to refreshing dips in the lake. To help you feel comfortable and fully enjoy your stay, here are a few recommendations for attire and summer travel tips:

What to Pack & Wear

Lightweight Layers: Daytime temperatures can be warm (80s – 90s°F), but early mornings and evenings may bring a breeze. Pack breathable fabrics like cotton and linen. Everything is casual!

Comfortable Shoes:

Whether you're wandering the farm, exploring the walking trails, or heading out on an adventure, we recommend closed-toe shoes or supportive sandals.

Hats & Sunglasses:

With plenty of sunshine, a wide-brimmed hat and UV-protective sunglasses are essentials.

Swimwear:

For a soak in the spa's hydrotherapy pool or a relaxing afternoon at Lake Mishkin.

Resort Casual Attire: Our dining experiences are relaxed yet refined — think casual dresses, polos, and comfortable shoes are a must!
